- **Class I Public Pool** - Any pool intended for, or used by, the general public for recreational use, owned and operated by any person, firm, corporation, institution, association, club or any government entity.
- **Class II Semi-Public Pool** - Any pool not open to the general public, but open rather to a limited group, such as institutions, schools, child care facilities, resident subdivisions or similar developments, camps, day camps, recreational facilities, or pools of similar usage and type. Or any pool whose use is restricted to residents, members or registered guests, including but not limited to hotels, motels, apartments, trailer parks/mobile home parks, churches and condominiums.
- **Class III Wading Pool** - All baby pools or wading pools with a maximum depth of two (2) feet.
- **Class IV Spa** - Hot tubs, spas, or whirlpools. Any commercial whirlpool, hot tub, or spa designed for recreation, or relaxation use, in combination with hydrojet circulation, air induction systems, or other circulation systems using hot, cold, or ambient water temperature. These facilities have a maximum water depth of four (4) feet and are not used for swimming or diving.
- **Class V Special Purpose Facilities** - Any pool whose design and/or use is significantly different from a swimming pool. This includes, but is not limited to scuba pools, instructional pools, water slides, spray grounds.

Seasonal permits operating for less than 7 months of the calendar year		Yearly permits operating for more than 7 months of the calendar year	
Class I	\$417	Class I	\$655
Class II	\$417	Class II	\$655
Class III	\$238	Class III	\$297
Class IV	\$238	Class IV	\$297
Class V	\$417	Class V	\$655

****Public Health Inspectors need access to each water recreation facility. If your pool or spa is gated or locked in a way that would prohibit entrance to the inspector, you will need to contact our office to provide access instructions or keys.**

Pools and spas are not permitted to operate until an inspection has been made and the permit delivered.

The information on this application is complete and accurate.
